

The Collision Shop of Westland

**Don't Let Your Insurance Company
Tell You Where to
Repair Your Vehicle.
By law,
it's YOUR CHOICE!**

It's your choice to take your vehicle to any repair shop you want. Don't let your insurance company fool you by saying they can't warranty the work.

At The Collision Shop of Westland, we stand behind our work 100%, with a **Lifetime Warranty.**

We work with "All Insurance Companies". Remember...by law, you are not required to obtain more than one estimate or appraisal!
